6. Built-in omnidirectional microphone for clear, high-fidelity sound
7. Remote control Included
8. 2.2m braided USB cable
9. Multi-platform compatible: PC , PS4

Description

These over-ear, noise-reducing headphones produce a surround-sound 7.1 effect that is the equivalent of a typical 8-channel speaker setup. They are designed for long-term comfort and all-day wear, with an adjustable headband and soft-cushioned, over-ear cups. The design reduces background noise for a fully-immersed experience and also enhances bass, while a top quality 50mm speaker punches out true, high-fidelity sound with great audio detail. RGB LED lights create a 'breathing' effect, pulsating in time to the music or audio being played. The headphones work across multiple platforms, making them an excellent option for PC use, gaming, or simply listening to music.

Additional Information

Approval and compliance	CE, RoHS
Max. operating temperature (°C)	45
Color	Black
EAN	4015867226407
Model number	ATHAN02B
Package contents	ATHAN02B Multi language quick installation guide
Built-in microphone	Yes
Connector	USB-A
Frequency response	20 Hz - 20 kHz
Impedance (ohm)	32Ω±15%
